Spring/Summer 2026 colors blend optimistic brights with grounding neutrals, featuring standout shades from **Green to Teal, Orange to Peach, Fuchsia to Pink**, alongside softer tones such as “**Cloud-Dancer**” **White** which is the Pantone 2026 Color of the Year, have emerged as expressive color combination.

High energy shades paired with soft and serene shades such as **Butter Yellow, light peach** and **calming blues** add an ethereal and natural warmth.
